Notice Under Section 708AA of the Corporations Act

PNX Metals Limited (ASX: PNX) ("**PNX**") refers to its Offer Memorandum and Appendix 3B lodged with ASX on 30 January 2023 for a one (1) for three (3) non-renounceable pro rata entitlement issue of new shares in PNX Metals at an issue price of \$0.003 per New Share to raise up to \$4,444,058 (before costs). (**Rights Issue**).

This notice is given under section 708AA(2)(f) of the *Corporations Act 2001* (Cth) (**Act**).

PNX advises that:

- 1) the securities being offered under the Rights Issue will be offered for issue without disclosure to investors under Part 6D.2 of the Act;
- 2) as at the date of this notice PNX has complied with the provisions of Chapter 2M of the Act as they apply to PNX and section 674 of the Act;
- 3) as at the date of this notice there is no information that is excluded information under sections 708AA(8) and (9) of the Act that has not already been disclosed to investors generally or in the Rights Issue Memorandum, Investor Presentation, and Appendix 3B all lodged with the ASX on 30 January 2023.
- 4) the potential effect the Rights Issue will have on the control of PNX's undiluted share capital and the consequences of that effect will depend on:
 - (a) the extent Shareholders take up their Entitlements; and
 - (b) the extent that Shareholders take up Shortfall Shares.

If all Shareholders take up their Entitlements in full the Offer will have no effect on control of the Company.

Shareholders that accept their Entitlements in full may apply for Shortfall Shares, but will not be permitted to exceed the 20% voting power threshold as a result of applying for Shortfall Shares. Accordingly, applications for any Shortfall by Shareholders will not have an impact on control of the Company.

Existing substantial shareholder Delphi Unternehmensberatung Aktiengesellschaft ("**DELPHI**") will be entitled to take up its Entitlement but not any Shortfall. If DELPHI takes up its Entitlement in full and no other Shareholder, apart from Committed Shareholders, take up their Entitlements, DELPHI's voting power will increase from 45.58% to 52.30%.

Binding commitments have been received, including from DELPHI, to subscribe, or procure subscriptions for \$2.1 million of Entitlements for which they, or the entities that they control, are entitled under the Offer (Committed Shareholders).

Shareholders not subscribing to their full Entitlement will be diluted by 25.0% (if the Offer is fully subscribed).

By order of the Board

Chairman
